REMARKS

Claims 1, 3-20, 22-25 and 28 are pending in the present application. Reconsideration is respectfully requested for the following reasons.

In the Office Action, claims 6, 8-19, 21, 23 and 28 were indicated as being allowable. Applicant would like to thank the Examiner for that indication. Applicant has added claim 21 to claim 1. Furthermore, claim 26 has been canceled such that all remaining claims depend from claim 1. Accordingly, since claim 1 corresponds to allowable claim 21 and the remainder of the claims depend from claim 1, all claims are believed to be allowable. Applicant notes that the word "traversal" has been reinserted into claim 3. Such word was inadvertently omitted from the copy of claim 3 submitted in the previous responses (and such word was never canceled from the claim).

All pending claims 1, 3-20, 22-25 and 28 are believed to be in condition for allowance and a Notice of Allowability is therefore earnestly solicited.

Respectfully submitted,
